

## Volunteer Opportunities with the Dennis Conservation Trust

The Dennis Conservation Trust relies heavily on help by volunteers in a variety of ways. Volunteer opportunities include:

### DCT Land Stewards

Volunteers monitor designated DCT properties at least twice annually. Land Stewards record evidence of property use, maintenance needs, any potential abuses of the conservation land, and wildlife and plant observations. Land Stewards report directly through the DCT website using the monitoring report form and communicates with Tyler Maikath, the DCT Outreach and Stewardship Coordinator.

### DCT Property Clean-up Volunteers

Twice a month, DCT holds a property clean-up project. DCT asks that volunteers bring loppers or pruning shears, gloves, and wear reasonable clothes. Tasks include litter clean-up, trimming back plant growth, and maintaining trails. Please contact Tyler Maikath, the DCT Outreach and Stewardship Coordinator, at [tylerm@dennisconservationtrust.org](mailto:tylerm@dennisconservationtrust.org) for more information.

### DCT Event Volunteers

DCT has a variety of events, like the annual Rubber Duck Regatta, that require help from volunteers. Activities may include selling raffle tickets, handing out information to people in the community, assisting with parking situations, etc.

### DCT Office Volunteers

The DCT office is moving on May 1<sup>st</sup>. We will be located at 811 Main Street in Dennis Village. We are always looking for volunteers to help with mailings, filing, record keeping, and inventory.

### DCT Auction Volunteers

DCT's biggest fundraiser is its annual Auction that happens the last Sunday in July every year. There are several volunteer roles for this event. We need volunteers to approach businesses for donations, volunteers for set-up, and volunteers during the event. The DCT Auction is one of the biggest social events in town.

Please contact the DCT Director Katherine Garofoli if you are interested in helping with any of these initiatives. She can be reached at 508-694-7812 or [kgarofoli@dennisconservationtrust.org](mailto:kgarofoli@dennisconservationtrust.org).
